2025-2026 Parent & Family Engagement Plan

What is it?	Alexander Elementary is committed to our vision: Alexander Mission Statement: Our mission is to spark curiosity and empower students to be critical thinkers who collaborate with others to solve real-world problems through STEM learning. Alexander Vision: We believe to accomplish our mission as a STEM campus, we will work together as a Professional Learning Community to: • Engage in ongoing professional development for all teachers. • Sustain our STEM certification and implementation. • Promote resilience, creativity, and critical thinking. • Nurture relationships and celebrate our many cultures, traditions, and individual student strengths. • Provide real-world connections in all areas of learning. We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A Program. This program provides federal funding for low socioeconomic schools. In return, we are committed to meeting expectations of the program laid out for us by the Texas Education Agency and the United States Department of Education.
Funding	Title I funds will be allocated for the implementation of the Parent and Family Engagement (PFE) program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	All use of funding and activities is reviewed within the Campus Improvement Plan and can be reviewed by the Texas Education Agency upon request to ensure they meet the needs of the PFE Program.
How to be Involved	☐ Attend a Parent-Teacher Conference during the school year to discuss your child's progress and goals ☐ Volunteer at School events ☐ Volunteer as a chaperone or in the classroom

	☐ Attend Family Engagement Events, such as PTA Meetings/Events, STEM Night, Literacy Night, Multicultural Family Night ☐ Provide time each evening for your children to read, complete homework, and discuss their learning with you
Family Trainings / Meetings / Activities	Family training events are opportunities for family members to come learn new knowledge and skills, learn about our Title I Program, and learn ways to support your child(ren) in their learning journey. The schedule and locations listed below are subject to change. Any changes made will be communicated via parent newsletter/email. ☐ August 26, 2025, at 6pm
Curriculum	Alexander Elementary school follows the Denton ISD Curriculum. Denton ISD uses high-quality curriculum that supports student success. More information on Denton ISD's Curriculum can be found on the Teaching & Learning website linked here.
Forms of Academic Assessments	Alexander Elementary has common formative assessments that all teachers across the grade level administer. Additionally, all students take common district assessments to routinely measure student progress. Students are given report card assessments that are aligned with the Texas Essential Knowledge and Skills (TEKS). Students in grades 3-5 are assessed on the State of Texas Assessments of Academic Readiness or STAAR tests. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculum resources.
Expected Achievement Levels on Academic Assessments	The State's Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/student-assessment-results/staar-performance-standards Alexander Elementary monitors the progress of each child's learning and growth throughout the year via local assessments (mentioned above). Teachers engage in regular progress monitoring as Professional Learning Communities to analyze data and plan instruction and interventions for students.
Ways to Request Meetings	Alexander Elementary values the input and collaboration with guardians as we collectively work to support student achievement. All classroom teachers have reached out to parents to offer conferences during the Fall semester, and will offer parents the chance to request conferences in the Spring as well. Please reach out to your child's teacher to respond to conference requests or to request a conference.
Translation Services	Translation services are available upon request. Please reach out to your child's teacher or the principal for translation requests.
