

GRADE POINT AVERAGE

GPA will be calculated for the foundation courses as follows:

Only courses taken during 9th through 12th grade will be computed in a student's GPA.

- 4-Language Arts courses
- 4-Science courses
(1 each/Biology, Chemistry, Physics, 1 additional course)
- 4-Social Studies courses
- 4-Math courses (highest 8 semesters)
- 2-Foreign Language (highest 4 semesters of same course)

GPA foundation courses will be calculated whether the student took the class during the regular school year, in summer school, by correspondence, by course exam, or by dual enrollment.

GPA and rank are calculated on a 4-point scale with a 1-point bonus for IB, Pre AP/IBDP and AP classes. Only 18 (36 semesters) academic foundation courses are used in the calculation. Earned GPA from courses completed within the prescribed 18 is used to rank students through the 7th semester. Highest GPA in present senior class is 5.0.

WEIGHT	GRADE POINTS EARNED

GENERAL INFORMATION

Denton ISD: 'A fast growing community'

Located at the top of the "golden triangle" of the Dallas-Fort Worth area, Denton ISD is the second-fastest growing school district in North Texas. Denton's unique "small town community" environment separates it from the growing, larger suburban school districts within the Dallas-Fort Worth metroplex.

With two universities and a community college – University of North Texas, Texas Woman's University and North Central Texas College - within its boundaries, Denton ISD is able to offer the highest quality academic programs. However, it maintains a small school climate so students can develop stronger leadership skills.

The goal of the district is to keep its high schools at maximum enrollment of 2,000. In 2006, the district opened a state-of-the-art LaGrone Advanced Technology Complex for juniors and seniors. In 2016, Denton ISD opened its fourth comprehensive high school.

Denton ISD encompasses 180 square miles and is part of 15 cities and communities.

CURRICULUM

The graduation requirement at Denton High is 26 credits (See chart at right).

Students must also pass five state proficiency examinations (EOC) in English I & 2/Language Arts, Algebra 1, Biology, and US History to receive a diploma. Identified gifted students are served in high school through advanced coursework options.

THE INTERNATIONAL BACCALAUREATE DIPLOMA PROGRAMME

The IB Diploma Programme is a challenging two-year course of study designed to meet the needs of highly motivated and college bound high school students. It provides students with the intellectual, social, and critical perspective necessary for the international world. Texas Senate Bill 111 (2005) awards Texas seniors earning the IB Diploma with scores of 4 or better a total of 24 semester credit hours at any Texas public institution of higher education.

In seventh year of testing. First IB class tested in 2010. In May 2016 school's overall passing rate was 69%.

THE SCHOOL

DESCRIPTION—A public comprehensive four-year secondary school offering programs in college preparatory, career and technology, English as a Second Language, and special education.

ENROLLMENT—Total of 2325 students, with a senior class of 458.

SCHOOL DAY—Total of eight credit-earning classes; six classes of 90-minutes each in length-meeting on alternate days, and two classes of 60-minutes each in length-meeting every day (officially referred to as a modified block schedule).

ACCREDITATION—Fully granted by the Texas Education Agency and the Southern Association of Colleges and Schools.

FACULTY—The faculty consists of 214 professional staff members, including a principal, one associate principal and five instructional principals, five counselors, one career counselor, one student assistance counselor and one social worker. More than 40% of the faculty hold advanced degrees.

PSAT/NMSQT AND ON-LINE SAT READINESS—This is a district funded program to help students improve test taking skills. It includes free PSAT/NMSQT testing for 10th, and 11th grade students and free on-line SAT Readiness practice through Khan Academy. <https://www.khanacademy.org/sat>

DUAL/CONCURRENT ENROLLMENT COURSES—Available through University of North Texas, Texas Woman's University and North Central Texas College; college math, economics, history, chemistry, and English classes also available on campus.

ARTICULATED COLLEGE CREDIT OPPORTUNITIES—Students can earn free college credit at DHS and the Advanced Technology Complex in courses which are articulated with community colleges.
